REQUEST OF INFORMATION UNDER FREEDOM OF INFORMATION  
5USC 552  
AND A CRIMINAL COMPLAINT

1. On 12.23.2013 it was reported that Mr. Barack Obama enrolled in the ACA, also known as Obamacare.
2. At issue is the fact that Mr. Obama is using a Connecticut Social security number 042-68-4425, which failed E-Verify and SSNVS, two official agencies of the US government used to identify invalid Social Security numbers.
3. The public is aware of the Social Security Number, which Mr. Obama is using, as on April 15, 2010 11 am, Mr. Obama posted his tax returns on line on whitehouse.gov and did not flatten the pdf file and the public could see that the number he is using is a CT SSN. Later Mr. Obama has reposted a redacted number, but by then thousands of people could see the full unredacted Social Security he is using. Later, as checked through E-Verify and SSNVS, the number showed as not assigned to Barack Obama.
4. Currently Mr. Obama is a defendant in a number of legal actions, among them Taitz et al v Democratic Party, Obama, Fuddy, Onaka et al 12-cv-1880 USDC Southern District of MS, which includes multiple RICO causes of action relating to Obamas use of a stolen Social Security number and fabricated IDs. There are a number of other legal actions dealing with Obamas use of fabricated IDs. Among them Taitz v Donahoe, Williams 13-cv-1020 USDC District of Columbia, legal

action against the Postmaster General and Inspector General for USPS dealing with Obamas use of a fabricated Selective Service certificate with a fabricated cancellation US Postal stamp attached to it, as well as Taitz v Colvin dealing with failure by the SSA to release the Social Security application for Harry Bounel, whose SSN Obama is using. See pleadings attached.

5. At the moment petitioner is seeking any and all documentation showing how DHHS verifies Social Security numbers of applicants for ACA/Obamacare.

6. Any and all documentation explaining to the public how Barack Obama was able to sign up for Obamacare while using a Social Security number which Filed E-verify and SSNVS.

7. At the moment support for Obamacare is record low, according to the latest CNN poll released today, on 12.23.2013, only 35% of American citizens support Obamacare. If these remaining 35% will see that an individual with a failed Social Security number was able to sign up for Obamacare, it means that anyone, any illegal alien will be able to sign up for Obamacare and deplete taxpayer resources on aid, and remaining 35% of U.S. citizens will withdraw their support. The public is entitled to know, what safeguards are in place to prevent individuals with invalid IDs, illegal aliens from obtaining Obamacare and depleting public resources and why did these safeguards fail in Obamas case.

8. By and through this letter Hon. Kathleen Sebelius is placed on notice that Barack Hussein Obama, aka Barack (Barry) Soetoro, aka Barack Soebarkah has fraudulently signed up for ACA/Obamacare, using invalid IDs and petitioner demands an expedient investigation by the DHHS and by the Inspector General for the DHHS.

Per 5 USC 552 response is required within 20 days from the receipt of this request, failure to do so will be seen as a refusal to provide information and will entitle the petitioner to seek a redress in the US District Court.

Further, Hon. Kathleen Sebelius is placed on notice that lack of action and resolution in this matter may be seen as complicity on her part in the cover up of Obamas use of fabricated IDs and a stolen Social Security number and it might expose Ms. Sebelius to liability in both Civil and Criminal RICO causes of action.

Respectfully,

/s/ Dr. Orly Taitz ESQ.

PS. Considering the fact that this petition is sent on December 23,2013 petitioner is wishing Honorable Kathleen Sebelius a very Merry Christmas and a Happy New Year.
